# **LUMINAIRE SPECIFICATION**

The pendant mount luminarie shall be core cast aluminum. Aluminum shall be certified as pure #356 alloy, free of any porosity, foreign materials or cosmetic fillers. Castings shall be uniform wall thickness with no warping or mold shifting. Minimum wall thickness shall be 31/6. Electrical components are mounted in the pendant luminaire with two stainless steel screws. 111–D reflector mounts lamp in a vertical poistion. A optional refractor globe shall be molded of acrylic with external refractors designed for a Type III or V light distribution pattern. The reflector shall be mounted in the luminaire with four S.S. Screws.

ELECTRICAL

All electrical components and materials shall be UL-recognized and wired by a certified UL technician. All Niland ballasts are high power factor rated for -30°C/-20°F starting. Medium and Mogul base sockets are 4 KV rated. The electrical assembly is prewired with quick disconnects for servicing. Fixture shall be UL certified for wet locations.

## **MOUNTING**

Fixture shall be mounted to a  $@2\frac{7}{6}$  O.D. arm with stainless steel set screws and thru bolt.

## RELAMPING

To relamp, loosen S.S. Thumb Screw and lower Hood to access reflector socket.

# Catalog Name:EPP-SH-LEX Date: 02.15.18 Revision History:N/A Revision #: 0 Niland Approval: Luis M.Gomez Customer Approval:

Fixture finish shall consist of degreasing, phosphate acid etching with 140°+ deionized water, rinsed, oven dry off and top coated with a thermoset TGIC super polyester powder coat finish designed not to chalk or fade for many years. All Niland Company powders must pass a minimum 3000-hour salt spray test for corrosion

## CERTIFICATION

The Fixture shall be UL-Listed for wet location use, and all HID listings.

## WARRANTY

Fixture shall be warranted to be free of defects for five years. Ballast components shall carry the ballast manufacturers limited warranty of two years.

## **PHOTOMETRICS**

Complete photometric data for all fixtures is available in IES-formatted 3.5 disks. A certified independent laboratory performs all testing. Call the Niland Company directly for more information.
